

Dubuque County Reappraisal Staff Information and History

The Dubuque County Assessor's Office is in the midst of an eight-year project to inspect all homes in the county that do not fall within the boundaries of the City of Dubuque. This project was started in the fall of 2019. Our staffers at the time completed the City of Farley and proceeded to the Cities of Epworth and Cascade. Unfortunately, Covid-19 spread around the world in the spring of 2020, so in March we suspended the project for the time being to ensure the safety of both staff and homeowners.

In the fall of 2020, we restructured the project to reviewing only the exteriors of homes until such a time that we were comfortable restarting interior inspections. We feel that time has come, so we restarted interior review in the City of Epworth in June of 2022. Our goal is to complete areas of Epworth and Cascade for 2023 and then proceed to other areas where we have already done exterior review.
